Fee Schedule Statement:

It is unduly burdensome for PUD #1 of Ferry County to calculate the actual cost of copying and producing public records on a case-by-case basis. Cost vary depending on the complexity, size, and level of legal review required, number of redactions required, the format of the records, and personnel working on a request. The added cost of conducting a study for each request would interfere with the District's ability to respond to requests in a timely manner. Therefore, the District adopts the following copy costs pursuant to the authority under RCW 42.56.120. The District reserves the right to waive a de-minimis amount of fees, as set out in the Public Records Request Policy. These charges are effective immediately.
