

Employment Opportunity: District Engineer

PUD No 1 of Ferry County • 686 S Clark Ave

PO Box 1039 • Republic, WA 99166

This position will be responsible for the District's engineering needs, under the oversight of the General Manager.

Duties:

1. Ensure the efficient, safe, reliable operation of District substations, transmission and distribution facilities.
2. Responsible for GIS data management, including data entry and analysis and preparation of maps and reports.
3. Work to ensure the District meets all federal, state and other regulatory requirements. Monitor and interpret federal and state regulations, orders and rules to stay informed of current and changing requirements.
4. Line extensions, work orders, pole contacts, easements, system design, construction, and environmental compliance.
5. Perform other related duties as required.

Minimum Qualifications, Experience and Certifications:

Required:

- Bachelor's Degree in Engineering, or 10 years of Engineering experience at an electric utility.
- Must possess and maintain a valid WA driver's license.

Knowledge Skills and Abilities:

Proficiency in MS Outlook, Excel, and Word. Experience in GIS and Asset Management software, including Futura Systems, is desirable. Knowledge and thorough understanding of electric transmission, substation, and distribution systems. Ability to apply ANSI, IEEE, NESC, NEC, WAC and other applicable standards. Must be able to communicate effectively with customers and other employees. Ability to adapt, learn and perform duties of a new nature. Must be forward thinking and possess advanced problem solving abilities.

Physical Demands:

To perform the essential functions of this job, the employee will be required to walk, climb stairs, bend, reach, and sit for extended periods of time. Lifts, carries, pushes, and pulls up to 50 pounds. Field work required in all weather conditions and may require walking on uneven terrain. Drives frequently, in all driving conditions.

Benefits:

In addition to any State mandated benefits, employees also enjoy the following:

- Medical, dental and vision insurance

- Life, and short-term and long-term disability insurance
- Washington State Retirement PERS participation
- Optional deferred compensation plan
- VEBA health reimbursement account and optional Flexible Spending Account
- Paid time off benefits starting at 21 days per calendar year
- 11 paid holidays
- Employee assistance program

Salary: \$85,000 to \$150,000 Annually

Approximate Work Hours or Days: 40 Hours Weekly
