

RATE SCHEDULE 200 GENERAL SERVICE

AVAILABILITY:

Available in all areas served by the District's distribution system where adequate capacity exists.

APPLICABILITY:

Applicable for any lighting and power use under 50 KW of measured demand, which are not eligible for service under other rate schedules of the District.

Also subject to the District's "Rate Schedule Qualifications & Demand Calculations."

TYPE OF SERVICE:

Sixty cycle, alternating current at such phase and voltage as the District may have available.

MONTHLY RATE:

Basic Charge:	\$20.00 per month single phase service \$61.00 per month three phase service
Energy Charge:	\$0.11228 per kWh

UNMETERED SERVICE:

An unmetered, fixed charge service may be provided to one or more small load devices of relatively consistent power consumption if usage can be reasonably computed, and where the installation of a metered service, in the opinion of the District, would be impractical.

OTHER ELECTRIC CHARGES:

A line-item charge may be added to utility billing statements for any required Federal, State, or Local charges levied against the District, including but not limited to the City Utility Tax imposed upon electric sales within the City of Republic.

TERMS OF PAYMENT:

Electric service accounts are due and payable upon receipt and become delinquent on the 16th of the month following the billing date. A 1% penalty, with a minimum charge of \$10.00, will be assessed on all accounts with a past due balance on the 16th of each month.
